1. If any sports event does not take place on the tentative schedule, it will be rescheduled for the next months or another suitable date.
2. The sports coordinator (comprising both faculties and students) will be finalized in the month of July.
3. The registration process for different sports will begin before the scheduled sports event.
4. Participation in more than three sports (2 outdoor, 1 indoor), whether at the individual or team level, is not permitted for any individual.
5. The rules for various sports will be provided by the respective sports coordinators.
6. Following the finalization of teams and players, the annual sports event will be tentatively scheduled in January/February.
7. Players and teams shortlisted for different sports are required to practice rigorously for the annual sports day event.
8. Upon the conclusion of the annual sports event, the tally points for different years will be displayed, and the year with the highest points will be awarded.
9. Points tally for different branches will be calculated & displayed, and the branch with the highest points will be awarded.
